

TONIGHT - KĀHUI AKO WEARABLE ARTS

HALLOWEEN DISCO

A huge thank you to our whānau for the awesome support of our Halloween disco run by Te Raukura. It was a tremendous blast for all in attendance.

ATTENDANCE

One of the things we are continuing to focus on this term is student attendance. If a student misses one day of school every two weeks, they miss more than a whole year of school by 16 years of age. As a parent or caregiver, you, alongside our school, play a key role in building strong habits of regular school attendance.

All students are legally required to attend school every day and it is a shared responsibility to make sure students attend and engage in learning from when they first start school.

You must let the school know if your child is going to be absent or intends to be absent for a portion of the school term for whatever reason. We know that spring has certainly brought its crisp mornings and with it chills, bugs and colds. Knowing if your child is well enough to go to school can be tricky at times. Health New Zealand | Te Whatu Ora have refreshed their guidance for schools and parents to use on their website.

If you're struggling at home with getting your child to school, talk to us! Our school is committed to supporting your child to attend school and building a culture that fosters excellent attendance.

Mataeo Blythe was recently selected to play in the Manawatū U10 Touch team. This is an awesome achievement and shows real talent and dedication - well done.

WIN US A PIZZA PARTY!

Manawatu District Council are running a competition throughout the month of November to encourage schools to collect clean plastic bottle lids, such as those on milk bottles and soft drink bottles. The lids can be deposited into the royal blue wheelie bin in the school office.

The winner of the competition, hopefully us, will receive a Pizza Party (up to the value of \$500), with pizza and sides delivered to the winning school in December.

Currently the nationwide kerbside recycling rules from the Ministry for the Environment state lids should not be put in your kerbside recycling bins. This is due to them being small and causing issues with some of the sorting and recycling machines.

HOWEVER, Manawatu District Council have the opportunity to send the lids collected from this competition to Future Post (www.futurepost.co.nz) to be made into environmentally friendly, long-lasting fenceposts!

All lids will be counted on Monday 2nd December. Thank you for your support.

ICE SKATING RETURNS

Yes, the ice rink returns for 2024! From Monday, November 18 to Thursday, November 21, all students will enjoy an ice-skating session with their class. Please remember that each child needs to bring their own socks. Additionally, you can book a 30-minute disco session for your child on Tuesday or Wednesday after school. Visit our Facebook page to reserve a spot! Please remember that each child needs to bring their own socks.
