WELCOME

One day left tomorrow of what has been a busy but amazing Term 2 - full of terrific events and amazing learning opportunities. The Art Expo, picture overleaf, has been magnificent. Each year staff and our community comment on the amazing quality. I would like to take this opportunity to commend all of you for your creativity and talent. Well done.

Tomorrow Term 2 draws to a close. I wish you all an amazing mid-winter break and look forward to seeing you all back, fully refreshed for Term 3.

MATARIKI DISCO

Last week a large number of our students danced the evening away at the Matariki disco. The costumes were outstanding and extremely creative. A huge thank you to Te Raukura for hosting this event and to our staff for supporting.

COLOUR RUN

The Colour Run took place yesterday. This is a fun, untimed event where kids run, walk, or dance through a course while being showered with colourful powder. There are loads of images and video on Facebook. The aim was to have a huge amount of fun and raise funds for our trip to Wellington later in the year. This event was also massively popular for our parent community who turned out in large numbers. Congratulations to you all - an update on the funds raised will be provided next term.

VISIT TO BUSY BEES

A section of Te Rerenga Kōtare performed at Busy Bees on Gladstone Road on Monday. Following the performance kids got to spend time sharing stories and playing games. It was a super fun time for all the kids.
