## WHEELS @ SCHOOL

The school will be reinforcing rules for scooters and bikes over the coming weeks. Our aim is to ensure that our playgrounds are safe and fun for everyone, before and after school. From Monday scooters and bikes are only allowed on the track around the field and the court adjacent to Room 23. This rule will be in place from 8.30am until 3.30pm. If your child arrives prior to 8.30am please ensure they park their scooter in the shed and/or their bike on the rack.

At all times scooters and bikes are to be walked through the school grounds in order to access the back court and bike track.

Scooters and bikes will be confiscated if they are ridden on the basketball/netball courts or through the school on the way to the back court and bike track. These will then need to be picked up by a parent/caregiver.

All students who bring bikes to school must have a helmet. If a child comes to school with no helmet their bike will be confiscated and kept at school until a parent/caregiver arrives. I apologise if these rules cause any inconvenience but it is important that all our students, and their whānau are safe at all times.

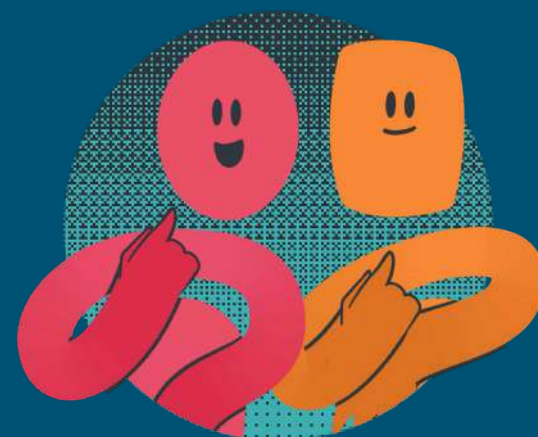

Thank you for your support.

## SWIMMING SPORTS

Year 3 & 4 students have Swimming Sports this Friday. It will involve different events including swimming skills, 12m and 25m and races. We will start with freestyle events, then backstroke and finish with breaststroke.

It will be held in the Makino indoor pool from 11:00am - 12:30pm. Classes will be sitting together with their teachers on the terraced seating side of the pool by the changing rooms. Parents are asked to sit on the opposite side of the pool so teachers can organise students for each event. Students will need togs, towels, goggles (optional), water bottle, and snacks to have throughout the event.

## 125TH CELEBRATION - TALES FROM THE ARCHIVES

With the gala coming up next year I thought this memory was very fitting. Young student, Miss Jane Mountfort was in charge of the money raised at the school stalls. At the end of the event she counted the money and had 30 pounds in small change. The teacher in charge loaded the money into a suitcase and hoisted it on to Jane's bike. The load was so heavy that she was unable to ride the bike and had to get the help of some senior boys to push her, and her bike to town to bank it.
