WELCOME

Well we have certainly had an amazing few weeks. The 125th celebrations have been punctuated by a range of sporting events. Students have enjoyed Athletics Day, Inter-school Athletics and also the Athletics Carnival. These events have been a mixture of funs and competition.

The 125th kicked off on Friday evening with an event for all our previous students and staff. The Mayor, local MP and other dignitaries described their time at our school. There was also a great chance to reminisce and review all the photo archives.

And then on Saturday came the gala. The weather was incredible and the Feilding community came out in droves. I would like to extend a massive thank you to our PTA for their organisation and to the huge number of people who prepped, sponsored and shared their time to make it a day never to forget. Roll on 2051.

KILOMETRES FOR KIDS

Throughout March, our staff proudly took part in the Kilometres for Kids Starship fundraiser, supporting an incredible cause. They have enjoyed the challenge of getting out and about with their whānau—walking, running, biking, or rowing.

We would like to send a big thank you to everyone who participated in this challenge with us during the gala. It was fantastic to see parents, uncles, cousins, and even toddlers running laps. Many life saving Starship stories were shared amongst families. We also loved the healthy competition it sparked to see who could run the most laps on the day.

Our school is currently in 2nd place in New Zealand for both total kilometres and funds raised. What an amazing achievement! If you would like to support us by making a donation, it is not too late. Please use the QR code to the right.

INTERSCHOOL ATHLETICS

Well done to our athletics team who competed against the best in the region at Timona Park today. Everyone gave it their best shot and we were particularly impressed with the way our students managed themselves throughout the day. A huge thanks to the eight LSS staff members who ran this event. To the right are the students who gained a top 3 placing and a photo, below right. Please return all athletics sports uniform shirts.

SPECIAL OLYMPICS

Mikayah attended her first Manawatū Special Olympics event over the weekend and gave it her all. At just 9 years old, she was by far the youngest competitor, with the next youngest being 14. She competed in both the 60m and 100m races, finishing 4th and 5th against athletes from Wairarapa, South Taranaki, and Wellington. A huge congratulations to Mikayah for stepping up, giving it a go, and achieving such fantastic results—we are so proud of you! See photo below right.

BUBBLE DAY

Today we held our annual Bubble Day. For those of you who are new to school, Te Atarangi was a beautiful member of our kura who died in a car accident three years ago. Her mum, Stevie, and nan, Bindi have maintained strong contacts with the school and each year we celebrate her life through bubbles.

START OF TERM 2

The start of Term 2 is scheduled for Monday 20th April. See you all then - have a wonderful Easter break.
