WELCOME

It was great to see all our kids come back so keen to get stuck into their term of learning. Term 2 is always one that brings with it slightly fewer events and a greater chance for the kids to develop routine and consistency.

It is also a good idea to send your child to school with plenty of warm clothes. As the winter months dawn upon us it is our aim to ensure kids are outside as much as possible. There are beanies available for purchase in the school office should you wish also.

125TH JUBILEE

Next week is the cut off for the ordering of the magazine, plaques or caps. If you would like a plaque, with your family details on it, please let Pene know in the school office. All plaques will be fixed to the new mural which is on the back of Room 16. Plaques are \$60 each. The magazines are free for a PDF, \$20 for a hard copy and caps are \$25. Thank you for your support.

ANZAC DAY

ANZAC Day took place on Saturday 25th April and was observed on Monday 27th April. 6 students from our Te Raukura leadership group attended the service held in The Square in Feilding. This event is getting bigger every year and is a wonderful way to remember those who made the ultimate sacrifice during times of war.

PINK SHIRT DAY

On Friday, 15 May 2026, Aotearoa will be transformed into a sea of māwhero/pink as we stand up against bullying and promote kindness, inclusion, and respect within our school community.

Pink Shirt Day is an opportunity for us to;

***Kōrero Mai, Kōrero Atu, Mauri Tū, Mauri Ora
Speak Up, Stand Together, Stop Bullying***

Please encourage your tamariki to come to school wearing something pink and to bring a gold coin donation for this great cause.

TE AO MĀORI @ LSS

In June our students will be taking part in Te Pae Tamariki. Since 1993 Te Pae Tamariki has been an annual event held within the Manawatu region. It is an occasion where Primary and Intermediate Schools meet and perform Kapa Haka. These performances celebrate Maori culture and the achievements of young people who participate and support this. Pā Crete and Whaea Chanse have been preparing Te Rerenga Kōtare for this event. In the coming weeks practices will be stepped up to ensure our students perform to their absolute best.

PLAYGROUND FENCING

The school is looking to provide a 1 metre high fence around our Adventure Playground to reduce the wide open spaces. It is our belief that this will support our students to continue to build their confidence with outdoor play. This work should begin over the next few weeks.

LARGE OAK TREE

The school is currently investigating whether the large oak tree that is situated on the school boundary at the end of the Adventure Playground, is worth further maintaining or removing. A decision will be made in the coming weeks.

LSS IN 2051

Below are some awesome stories from our younger pupils about what life may be like in 2051. Many of these will be shared in our Jubilee magazine, but for now, here is a snapshot. Enjoy.
