WELCOME

Welcome to Week 6. The term sure is flying by however, due to the 11 week term there is still significant mahi to be undertaken. Kids and staff across the school are working tirelessly to implement the new curriculums in English and Mathematics. This includes aligning with current assessments and trialling new ones. In the coming weeks, as in the previous term, our whānau will have access to all student achievement information through our HERO app. Notifications will come home when this is accessible.

JUNIOR TOUGH GUY/GAL CHALLENGE

Monday was a stunning day for the Junior Tough Guy/Gal event at Massey University. Waterslides, creek crossings, obstacles, spot prizes and kids finishing covered in mud - what more could a tough kid want? A big thanks to all of our parents who helped out with the race bibs.

NEON DISCO

Be sure to come and join us this evening for an awesome night of dancing and music. It is going to be an amazing event and something not to be missed. Entry to the disco costs \$5 and this will also gain kids a drink, chocolate and some chips. See you all there.

TE RERENGA KŌTARE

Te Rerenga Kōtare is gaining momentum as the ropu heads towards Te Pae Tamariki and our Matariki Celebration. Whaea Holly has come on board to support the group. Her role will be managing organisation, practices and communication with whānau. Please see her for any further information.

FEILDING LIONS CLUB

Early this term we unfortunately sustained overnight damage to the roof when an overflow pipe from a water cylinder was broken off by some unwanted visitors. This caused the water to the cylinder to run continuously, which impacted our book room, and caused damage to a number of our reading resources. Our local Feilding Manchester Lion's Club has kindly made a donation to the school to support the repairs, and replacement of the resources. We would like to acknowledge this donation and thank them for their generosity.

Y5/6 SWIMMING SPORTS

Last Friday we held our Yr 5/6 Swimming Sports at the conclusion of four weeks of swimming lessons. A massive thanks once again to our BOT who prioritise funding these lessons for our students. It was a great display of skills, ranging from those developing their confidence in the pool to those swimming lengths with ease. Well done all of you. Here are the championship results.

TE TIPU OPEN DAY

Come and experience the magic of learning at Lytton Street School! On Thursday 4th June, our incredible Te Tipu class will be open from 9am - 1pm for whānau, friends, and the wider community to explore.

Whether you're a current whānau member, a younger sibling, have a child aged 3-5 years, or know someone exploring schooling options, we'd love to show you what makes Lytton Street School such a special place to begin your child's school journey.

Pop in anytime between 9am-1pm, have a look around, see learning in action, ask questions, and get a feel for our school community.

Below are more photos from the Tough Guy/Gal Challenge.

WIRED FOR SUCCESS

Join us for an evening with educational psychologist, Steph McKay, who will share insights into the impact of gaming on the ADHD brain.
