THURSDAY 19TH NOVEMBER - MONMOUTH STREET PARTY

WELCOME

And there we have it - Week 6 almost done and dusted. This leaves us with only 3 and a half weeks of school before the end of the year, and so much still to do. Kids are completing their final assessments and reports are being prepared. These will be reflective of the year's work and provide areas to focus on in the future. As a school, classes are being finalised and programmes decided on for 2027. This is always a really exciting time for both staff and students.

KO WHIRI TIKA MAI TE RERENGA KŌTARE

Our awesome Te Rerenga Kōtare performed on Tuesday 17th November at The Regent Theatre in Palmerston North. The ropu began their bracket at 9.30am. This was our first time performing in this regional competition. To say our kura is extremely proud of them is an understatement. The ropu has worked tirelessly this year with practises taking place at morning tea and lunchtime. Te Rerenga Kōtare have all shown a huge commitment to performance kapa haka. Lytton Street School has exciting foundations to continue to build strength in this area. I wanted to say a special thank you to the team of staff that made this possible. To Pā Crete and Whaea Chanse for bringing the expertise, enthusiasm and performance-level drive, to Whaea Holly, Whaea Sarah and the many supporters who organised, applied make-up, transported children and cheered them on - you are all awesome. On behalf of all the kura and the community - a massive thank you to you all.

LAST DAY OF SCHOOL

School will finish at 1.00pm on Tuesday 15th December, our final day of the year. Please make a note of this earlier finish time .

YEAR 6 GRADUATION

The Year 6 Graduation is taking place on Wednesday 2nd December. Information and notices regarding this event have already come out to whānau. If you have not received yours please let your child's classroom teacher know as soon as possible.

SCHOOL CAMPS

Our school camps to Sixtus Lodge have drawn to a close today. The camps, whilst battling the elements at times, have been hugely successful. All students have enjoyed an overnight camp, a massive tramp, river studies, glowworm caving adventures and all the fun and trappings that go with these experiences. I would like to say a huge thank you to all our parents and staff who have given up their personal time to make these camps a success. Be sure to check out the awesome photos on our school Facebook page.

RUN CLUB

Run Club has been up and running every Monday lunchtime on the school field this term. This is an opportunity for tamariki of all ages to set running goals, challenge themselves, and have fun alongside some inspiring running role models. A huge ka pai to Grayson Dame, who ran an incredible 5km during Run Club this week. What an awesome achievement! Next week, we have some exciting new timed challenges planned, including seeing who can keep running longer than Knox and his mum - Hayley Groombridge! A huge thank you to our amazing senior students and Hayley who generously give up their Monday lunchtimes to lead, encourage and inspire our runners. We love seeing this tuakana–teina spirit in action.
